Membership Benefits

Read to Me

Literacy Packages are distributed across the province to mothers of newborn babies during a designated week each spring.

KN-LENS provides the book bags to teen parent programs and to prenatal programs. Each year we try to partner with an organization that is north-wide and fulfills our mandate.

Young Saskatchewan Writers' Publication

This is an annual publication of Saskatchewan's K-12 student writing. Student writers submit in January; those selected will have their work published. Each writer selected and KN-LENS members receive a copy in the Spring.

L.E.N.S.Focus

Members receive e-mailed issues of newsletters directly from the LENS provincial Communications Director. *L.E.N.S. Focus* features literacy related trends and ideas conveying local to international perspectives. *KN-LENS events and news are also featured in LENS Focus.*

Annual General Meeting at NATA Convention

Members get together to elect a new slate of officers, and to plan and coordinate local network events for the upcoming school year: local network tele-conference meetings, book circles, literacy carnivals, PLNS Northern Reading Program, International Literacy Day events, World Literacy Day events, Family Day Literacy events, etc.

Membership is open to all literacy providers in northern Saskatchewan; tutors, teacher assistants, teachers, literacy coordinators, library staff, administrators, and the list goes on... anyone interested in Literacy in the North!
